

Town Treasures Jewelry Manufacturer

You are responsible for producing products that will be sold by your business to consumers in JA BizTown. A quality product is important. Remember to pace yourself to ensure that products are completed in a timely manner.

1. Jewelry/ Product Manufacturing

Follow the directions on the laminated cards in the pocket of your yellow folder to manufacture jewelry and products to sell.

2. Sales

If you have completed making all the items needed, help with sales and marketing to promote, and increase sales for your business.

3. Non-Approved Pennies

BizBotics will be delivering 12 pennies in a container for making necklaces for the next day's group in *JA BizTown*. These pennies should be placed in the jar marked, **Pennies for Necklaces**. Be sure to give the container back to the BizBotics employee.

4. Clean Up

Assist with business clean up at the end of the day.
